# PARTNERSHIP PROCESS

## 1 CHOOSE YOUR PARTNERSHIP LEVEL

Partnership packages are designed to be a flexible framework for organizational participation, ensuring that each partner organization is able to maximize their impact at the IRF Summit.

## 2 FINALIZE YOUR PARTNERSHIP

After selecting a partnership level, partners will receive a Partnership Agreement form and send payment to the Lantos Foundation, the IRF Summit's fiduciary partner. The Summit will then send partners a coupon code to register their representatives.

## 3 COORDINATE YOUR BENEFITS

Partners are invited and encouraged to join the Summit Steering Committee and one of the four breakout track planning committees, where they can help directly shape Summit programming. Partners will also receive a packet explaining how to utilize all their other benefits.

## SPECIALTY PARTNER BENEFITS

Select, Premier, and Title partners receive access to special custom branding opportunities such as sponsorship of an after-hours party, a hospitality lounge, and other unique ways to reach attendees like being the live stream or Wifi sponsor.

Partners wishing to be part of the core planning process should join by

# FREQUENTLY ASKED QUESTIONS

## Are partnerships customizable?

We encourage partners to tailor their participation in the Summit according to their organizational goals and priorities.

## Do I have to be a partner to attend?

No—anyone interested in advancing international religious freedom is encouraged to attend whether or not they are affiliated with a partner.

## Will partners receive complimentary tickets?

Partners each receive a certain number of comped tickets based on their partnership level. They may allocate these as they wish.

## May I purchase additional tickets?

Yes—partners receive a coupon discounting their group registration by the value of the tickets they receive in their partnership package but may purchase additional tickets if they wish.

## How do partner representatives register?

Upon receiving their special coupon code, a member of the partner organization will register all attendees from the partner organization at once, using the coupon code to discount the registration cost.

## Can I suggest speakers without being a partner?

The IRF Summit welcomes thematic and speaker recommendations from the community. However, the Summit is a partner-led event and therefore must emphasize partner priorities at every stage.
